MESSAGE #1515 from Jesus July 19, 1998

My child,

Pray for those who do not understand My Mother's role on this earth, for they are denying themselves the help needed to become strong and whole again. Without My Mother's assistance, many will continue to fall further away from the Sacraments.

My Sacred Heart bleeds for those who continue to reject Our heavenly messages. My Heart bleeds because so many are refusing to hear the truth. When one denies the truth, one then chooses to live in darkness. My mercy is great for those who repent and who do penance. My mercy pours out to all who come to Me, but due to lack of faith, many are choosing to walk by Satan's side. Those who are rejecting these messages are doing so because they do not want to reform their life.

They also do not want to believe that the time will soon be at hand and that justice will prevail across this land. Woe to those who are ignoring My Father's warnings, for they will not be ready for all that will unfold. Their soul will not be cleansed and how they will suffer when all their sins are revealed to them. How they will suffer when they see the blood that I shed for them. They will suffer, for they will see how deep My wounds have become due to their sins.

My child, you must not give up, for you have been chosen to take part in saving souls. You have been chosen because many Cardinals, Bishops and Priests are sleeping. Many are not preaching the truth because they do not call upon the Holy Spirit. They are seeking pleasure instead of spending time with Me. Many have become weak due to lack of prayer. Many need your prayers, so I ask today that you spend more time with Me. I ask, My child, that you also continue to suffer for all humanity.

I ask that you continue on, no matter what man thinks of you, for in time they will know that I am working through you. They will know because much wisdom will be given to you. They will know because these heavenly messages will heal their flock. Many will repent and will seek refuge in My heart. My sons will not be able to deny what is happening to their flock, for they will see a change and many will return to Church. So, do not worry, cast away your fear, for I am walking ever so near to you.

This is the time of mercy. This is the time of renewal. This time has been allowed because of Our love for you, so keep moving, My child, for these messages must be spread. They must be spread so more repent and turn away from sin. Those who listen and who respond will be blessed, for they will be led closer to Me. They will be led to the path that will lead them to Heaven. The path, My child, will always be clear for you, so persevere and trust in Me, for I am Your Merciful Lord. I am Jesus.

Now, be at peace and secure in Our love for you. My blessings I give to you. Pray for peace and fortitude.

MESSAGE #2240 from the Blessed Mother November 14, 2001

My daughter, How many notebooks will it take until our children truly, truly respond? A response is needed now, so please let the world know that I am truly here for all my children. I am truly here to make the Gospel known. I am here for all my children so more repent and turn to God. I am here to teach you, so that you go forth and live a life that is truly pleasing to God.

Today, I ask that you let go of your fear, for I am truly here to lead you closer to my Son, Jesus. My daughter, these messages must be made known, so please use every opportunity to share all that is embedded in your heart. Please continue to write, for this is how these messages become embedded in your heart. Please be willing to use your hands and voice for Christ.

This time cannot be wasted, so please tell my children to pray, pray, pray from their heart. Tell them each prayer from their heart, will help those who are sleeping. Each prayer will help many in the end. Each prayer will lesson what is coming your way. Yes, each prayer that you say now, during this time of God's great mercy, will truly light the way for those in darkness. So many souls are in danger, so please do not wait for me to remind you; instead pray, pray throughout the day. Pray and ask God to have mercy on those who are ignoring the truth.

Pray for Cardinals, Bishops and Priests. Pray for all religious, for many, so many are refusing to make the whole truth known. Many are unwilling to be persecuted for living their faith. Many are taking the easier road, instead of living their vocation. Many are truly offending God, because they are not shepherding their flock. Many are giving in to the world because of pride and laziness.

My dear daughter, today I weep due to the sins of this world. I weep for those who are trying to make changes in the Church. I weep for those who are refusing to pray the Rosary, and meditate on each mystery. I weep because, due to lack of prayer much more evil will enter, enter this world.

So many do not realize how powerful the St. Michael prayer is for these times. Many refuse to believe that Satan and many of his followers are prowling this earth. Many are refusing to use the protection that God has so graciously given them. Many know the truth, but are unwilling to make the Gospel known. Many today are ignoring these messages, because they refuse to come to know me in a personal way. Yes, many have chosen the easier way, and because of this, so many are falling further away from God. Many say they believe in God, but very few pick up their cross. Many believe in God, but very few believe in His love for them. Very few rely on God's Mercy.

My Immaculate Heart is full of pain, and how I weep for those who are not living their vocation. I weep due to lack of prayer in so many homes, around this world. I weep for those souls who are not obeying God. Weep with me today, and pray for Cardinals, Bishops, and Priests. Weep with me, for so many are not taking these messages seriously. Pray today with me, so more awake before God's justice prevails. My daughter, pray and atone and do not be fearful of the sufferings you endure. Offer all your suffering to our Lord and be grateful that you have been chosen to save souls. Be grateful for this time, so you continue to do what God and I are asking of you.

Tell all my children to pray with me or there will be no mercy. Without more prayer, there will be earthquakes, floods, and sickness of all kinds. There will be a terrible war, famine, and much more division in the Church without prayer. My message today is to pray, do penance, and make sacrifices now, for the salvation of souls.

Please, please respond. Respond now. Amen.

MESSAGE #2309 from the Blessed Mother April 23, 2002

My daughter, I am with you wherever you go, so be at peace. Be at peace and witness to those who have allowed themselves to become distant from God. I ask today that all my children take Jesus with them, wherever they go. I ask that you go forth and light the way for others. Time moves quickly and all must awake from their slumber.

Assist me dear children, by truly living these messages. Assist me, for many of my children are in great darkness. Many hearts are closed and many souls are in danger. Together we can light the way, if each of you do your part. Join hands dear children, and let the world know that I am truly here to assist those who take refuge in my Immaculate Heart. I am here to assist all my children and to restore family unity.

God is showering His Mercy upon families because so many are in turmoil. There is so much sinfulness in the family because of lack of prayer and respect, respect towards each other. Lack of love and lack of faith is truly tearing families apart. If only my children would pray and love one another, hearts would be united. If more families gathered for prayer, Satan would lose power. There would be less division in the Church, if more families prayed and faithfully came to Mass.

I truly weep due to lack of prayer and dysfunction in the family. I weep for those priests who are not shepherding their flock. I weep because some priests have stopped believing in the True Presence of Jesus in the Holy Eucharist. Many have become so involved in the world and have turned their back on My Son, Jesus. All must devote more time to prayer, in order for change to occur.

Today, I am asking each of you to pray more. Pray for Cardinals, Bishops and Priests. Pray for your Pope, for many oppose him. Many are not listening to the messages he is trying to convey to the world. Pray for all the sinfulness that is occurring in the Church because of disobedience. Pray and fast. Pray to the Holy Spirit. Pray, for again I say to you, your weapon is prayer. Trust and obey God and live, live the Beatitudes. Live a holy life and take refuge, refuge in Our Hearts. Jesus truly awaits those who turn to Him with an open heart. Pray the Rosary and stay close to my Immaculate Heart. Stay close to the heart of My Son, His Most Sacred Heart. In doing this, you will be protected and you will see light no matter how dark this world becomes.

Now, please respond and carry Jesus with you wherever you go. Pray together as a family and make time to come to Mass and adore my Son. These are tools to truly help you, so please take heed to all that I am teaching you. Please listen and respond, so unity around this world can be restored.

My daughter, please join me now and pray for the conversion of sinners. Pray with me and assist me, so more souls see light instead of darkness. Pray everyday, especially for your Pope, for prayer, prayer is his protection. Amen.

MESSAGE #2493 from the Blessed Mother June 20, 2003

My daughter, Pray for all Cardinals, Bishops and Priests. Pray for all religious so they accept my motherly love and assistance.

Many today are not taking time to pray and meditate on the Rosary. If more would pray and meditate on the mysteries of the Rosary, evil would not linger. Satan is powerful and he will become even more powerful if you do not pray and be an example to your flock. Please, dear Priests, pray the Rosary, for prayer is your protection. Through prayer and true devotion to our Lord, evil will be destroyed.

My Son wants more prayers, so please, please listen to my motherly requests. Listen to what my Son is telling you and do what He is telling you to do. Be true followers of Jesus and pick up your cross each new day and live, live your vocation. This world is in danger and many will perish if you refuse to pray and teach your flock. My Son will truly guide you if you ask Him. My Son will truly direct you if you turn to Him. Do not be fooled by the evil one. Spend time, time with Jesus so you are fed. Spend time adoring our Lord and the answers will be given to you.

Dear Priests, I come to you because I am your Heavenly Mother. I truly care for you and want to assist you on this earth. I want to protect you with my mantle, but you too must do your part. You must pray, pray from your hearts, and be true servants for our Lord. You must pray for your flock and teach them the truth. You must be faithful to my Son and guide my children. You must not stray away from true teaching. You must be obedient to God and your Most Holy Pope. Obedience, prayer and sacrifice are truly needed in order to combat evil. Ask, ask the Holy Spirit to guide and enlighten you. Ask and do all that you can for the salvation of souls.

Fire will descend upon this earth if man continues to turn away from God. Many, many will suffer if souls continue to be destroyed. Listen to my messengers and prepare, prepare now. Be attentive, for God is truly warning His children now. Blessed will be those who are listening to God, for they will have nothing to fear. Woe to those who are not shepherding their flock, for they will have to answer to God. Pray for the Church so more use their hands and voice for Christ.

There is no longer time to follow your desires, you must each imitate Christ and be an example to all mankind. You must pray and do penance and be willing to serve Christ at all hours. God is sending many punishments and epidemics so more will pray and turn to Him before it's too late. Will you please see the signs before you and pray together and live, live the Gospel. Wake up from your slumber and take heed, take heed now to my motherly call.

Listen, dear chosen sons, to what I tell you. Listen and respond, for the time is drawing near. Just as you need my assistance, I too need yours. I need Priests who will go forth and speak the truth. I need Priests who will pray and fast and be willing to teach their flock. With tears in my heart, I am asking each of you to pray and do your part for the salvation of souls.

My daughter, pray with me today. Pray for Priests, pray for all religious. Pray and make this message known. Amen.

MESSAGE #2537 from the Blessed Mother October 8, 2003

My daughter, Continue to pray for world peace so more turn to God and repent of their wicked ways. Much fighting is taking place all around this world because many do not carry love in their hearts. The Gospel must be spread or man will see much more bloodshed. The Gospel must be spread or man will see even a greater war. Conversion cannot happen if my children don't take heed to the Gospel.

Today, you must each go forth and share your faith. You must reach out to all your brothers and sisters. You must love one another and be true servants for our Lord. You must each do your part in order to make a difference in this darkened world. Prayer, prayers from your heart will draw others closer to our Lord.

Family prayer will strengthen you and it will truly help those children who are living a lukewarm faith. Prayer is your protection, so please gather your children and take heed to my motherly requests. Gather your children and make time for family prayer. Peace must first begin in your homes before it can be spread across this world. Peace cannot happen if families don't join hands and pray. This is the time to take hold of your family, so do not delay.

My chosen sons must wake their flock. They must stress the importance of praying together as a family. They must teach their flock that the Rosary is a powerful weapon when prayed as a family. Please, please make it known to pray and meditate on the mysteries of the Rosary.

Each time my children gather and pray, I will truly intercede for you. I will unite my prayers with yours and I will truly protect you. This world is in need of prayer, prayers from one's heart. Now, let us join hands and pray today so more gather for family prayer. Let us pray for all Cardinals, Bishops and Priests so they teach their flock the importance of praying, praying the Rosary.

Now, please pray with me and take refuge in my Immaculate Heart. Pray with me and recite your Rosary, for this will help heal the world. Go now as prayerful children and give thanks to God for allowing more time to pray for the sins of this world. Amen.

MESSAGE #2565 from the Blessed Mother December 16, 2003

My daughter, Have hope in Jesus and trust, trust in His love. Trust in God's plans so you do not lose hope or confidence in our Lord. In time, my Immaculate Heart will triumph and there will be peace, peace on this earth. In time, all will see their soul and many will suffer if they do not use this time to prepare their soul.

The day will come, so please, dear children, stay strong for Jesus. Be obedient to God and live your consecration. Be obedient to God and pray for those who are trying to make changes in the Church. Pray each new day for your Priests, for many are giving in to worldly ways. Many are not praying as they should and are not listening to my beloved Pope. Many are leading others astray who are weak in their faith.

I am here to assist my Priests, but many are refusing my assistance. I cannot help those Priests who are refusing to live their vocation. I cannot assist those Priests who are not shepherding their flock. I love all my Priests and I truly pray for those who are stepping ahead of God. My faithful remnant must also pray, for many are becoming entangled by the serpent's tail.

Many today are so in need of prayer, so please pray more and continue to gather in those groups that I have formed. Continue to live your faith and be an example to those who are not living the Gospel. Be obedient to God and be humble, loving children. Be true followers for Christ and live, live your Catholic Faith. Listen attentively to what your Most Holy Pope is instructing you to do. Listen and respond and do not doubt, for God is truly guiding this Most Holy Pope. This Pope has been chosen and the wise will truly listen to him.

So, today I ask that you be wise and surrender yourself to God's Holy Will. I ask that you be loyal to Jesus and serve Him with a generous heart. I ask for a response so you grow in holiness. I ask that you join hands and pray, pray for this world. Through prayer, sacrifice and penance, God will bless you abundantly. Through obedience to God, you will become spiritually strong. You will receive God's grace if you remain loyal to Him, so persevere and remain faithful to Almighty God.

Persevere and pray, for the time is soon at hand. Be wise and do not join hands with those who are disobeying God's laws. Be wise and prepare your soul and remain faithful to true teaching. Be light to this world and believe that God and I are with you. Amen.

MESSAGE #2619 from the Blessed Mother April 26, 2004

My daughter, Many today are not obeying God's Commandments. Abortion is murder and it is not acceptable in God's eyes. All of Heaven weeps when they see so many innocent lives being destroyed. It is not man's choice, who should live and who should die. Abortion is on the rise due to disobedience to God's laws.

All must take a stand for life and make the Gospel known. If man continues to destroy life, they will see much more destruction. God will not have mercy on those who are choosing to live in mortal sin. God will not have mercy on those who know the truth and who refuse to defend life.

Bishops must not remain silent. They must shepherd their flock and make the truth known. They must let the world know that abortion is murder. They must defend life and teach others what is morally right and what is morally wrong. Bishops must teach the truth to all their brothers and sisters.

Dear Bishops, there is no longer time to be ignoring what is happening around this world. Each time an abortion is performed, the earth trembles more. It is time now to use your hands and voice for Christ. It is time for you to wake your flock, for many are living in mortal sin. Many are making up their own rules and are picking and choosing which Commandments to obey.

Dear Bishops, many, many Catholics are sleeping and they need to hear the truth. It is your turn now to go to the pulpit and wake your flock. Make the Ten Commandments known and pray, pray for an end to abortion. Make the word repent known, for many are living in mortal sin. Be firm and let the world know that hell exists. Sin is sin and you can no longer be silent.

I am addressing Bishops now because many Priests are sleeping. God truly needs your assistance, so please do not ignore Heaven's call. There cannot be world peace when abortion is on the rise. There cannot be unity when so many are not living their Catholic Faith. Jesus' wounds are bleeding profusely, so please, please do your part for the salvation of souls. Pick up your cross and be willing to be persecuted for making the Gospel known. Pick up your staff and be true leaders.

The greatest sin in this world is abortion, so please do not be silent. Defend life by truly using your hands and voice for Christ. I will assist you, so please do not be afraid. I will assist you, for I am truly here now to wake those who are sleeping. I am your heavenly mother, so please do not ignore my messages that are being given around this world. The truth must be made known, for there is no longer time to be silent.

This world is in danger, so please be true shepherds and guide your flock. Time is running out, so please do not delay. Time moves quickly, so please pray and then do your part for the salvation of souls. Amen.

MESSAGE #2623 from the Blessed Mother May 5, 2004

My daughter, Do not feel alone in your suffering, for I am truly with you. I am with you wherever you go, so be at peace. Each new day offer your suffering to our Lord, for this will truly help those souls who are living in darkness. Each time you write, souls are being saved. They are being saved because you are being obedient to God.

These messages are truly waking those who are not living the Gospel. These messages are God's way to wake mankind. Those who take heed to what I am relaying to you will be drawn closer, closer to my Son, Jesus. Those who take part in making these messages known will be truly blessed by God. So I say to my children, remain obedient and steadfast.

I say to my beloved Priests, make these messages known. Share all that is imbedded in your heart so more repent and turn their lives around. Tell my children the truth, for there is no longer time to be silent. Do not wait for God's Justice to prevail; live your vocation now. Tell my children to obey God. Tell my children to obey each Commandment. Tell my children to cleanse their soul so they have the grace needed to live these messages.

Dear Priests, the warning will come and you will each see your soul. If you have been living a worldly life, then you will suffer tremendously. If you have only been working part time for God, then you are not living your vocation. Every day, souls need to be saved, so please, please pray more and assist my children. Live the Gospel to your fullest and be loving, humble Priests. Do not be judgmental; assist your flock. Keep your church doors open and live a priestly life. Do not give in to the world; be responsible and live, live your vocation. Time is running out and each soul needs to be in a state of grace. God has blessed your hands, so please use them by truly embracing each child that comes to you. A great awakening will come. Will you be ready?

Now, please do your part for the salvation of souls. Do your part by truly living the Fatima message. Allow my Son's peace now to dwell, dwell in your hearts. Amen.

MESSAGE #2634 from the Blessed Mother May 26, 2004

My daughter, Blessed will be those who go forth and proclaim the Gospel. They will be truly blessed by Almighty God. Those who truly live the Gospel will be protected from the evil one.

Woe to those who know the truth but refuse to live it, for how they will suffer for turning their back on God. So many today continue to crucify my Son because of their refusal to live and speak the truth. Very few are willing to be persecuted for living their faith.

I plead with my children today, let go of fear and be light to this world. Let go of fear and teach others all that I am teaching you. It is time now to be true warriors for Christ. Work constantly to strengthen your faith in God and live, live holy lives. Receive the Sacraments often, for then much strength will be given to you.

Dear children, please understand that you are entering a time of great purification. You must prepare your hearts now and respond to the many messages God has so graciously given you. You must stand tall and live, live a pure and holy life. You must learn the truth and truly live your Catholic Faith. You must listen to your Most Holy Pope and not allow evil to enter your Church.

Can you not see what is happening around this world? Bishops against Bishops, Priests against Priests, children against parents and authority. This is all part of Satan's plan to destroy you. Parents are behaving like children and they are not living their vocation. A great darkness is covering this world because so many are not listening to God.

It is time now to put the Tabernacle and Statues back into Church. It is time now to say the St. Michael prayer, for you need this Archangel's protection. If you continue to remove the holiness from your Church, you will see much more destruction. You will see much more irreverence and impurity. Shame on those Pastors who have allowed their Church to become a social hall.

Knees must begin to bend, even if the kneelers have been removed. Man must get down on their knees and pray, pray more in Church. The Rosary must not be denied, it must be recited by all my children. It must not be hidden in a chapel, for all my children must join hands and pray it together.

I am warning my children today, for God is not pleased with what is happening in many churches today. God will not have mercy on those who are leading others astray. This message is your wake up call and soon, very soon you will have to respond. This world is in danger and man can no longer deny Heaven's pleas. All must repent of their wicked ways, for time is truly running out. A great sign will be seen from the heavens, but for many it will be too late if they continue to crucify my Son, Jesus. Convert, convert now and take refuge, refuge in Our Heart.

These messages are truly from my heart because I do not want to see my children suffer. Please, please share this message with the world so more repent and turn to Almighty God. Amen.

MESSAGE #2644 from the Blessed Mother June 23, 2004

My daughter, Be brave and move forward with love, love in your heart. Do not let the evil one place fear upon your heart. Write each time I come to you and share all that I am teaching you. Share with those who are still sleeping so they turn to God before it's too late.

Time moves quickly, so please, please dear children, use those gifts God has given you. Use those gifts God has given you so more repent and turn their lives around. So many are not being fed the truth so they are listening to Satan's lies. Evil has become widespread because many are choosing darkness. Many are ignoring these messages because they do not want to change their ways.

These messages are God's way to wake His children, so please go forth and share all that I am teaching you. Let the world know that there cannot be true peace until my children turn to God. Peace cannot exist if man continues to destroy lives. Division will increase if man does not strive for unity. All must join hands and pray. All must work together and live, live their faith.

Bishops must shepherd their flock. They must become teachers and live their Catholic Faith. They must stress the importance of receiving my Son in the Eucharist in the proper way. Many today come to Communion with mortal sin on their soul. Many are not being taught the truth that Jesus is truly present in the Eucharist. Many today are making up their own rules and they are not receiving God's grace.

Dear Bishops, dear Priests, assist me now. Assist me by truly waking your flock. Assist those whom you know are living in mortal sin. Teach them right from wrong instead of leading them astray. A true shepherd does not compromise with the world. A true shepherd obeys true teaching. True shepherds are truly needed all around this world. Many, many will suffer if they remain blind to the truth. Many, many more will suffer if they continue to live in mortal sin. Please take seriously my heavenly messages and become true teachers.

Please take heed now, for the time will arrive quickly and I will no longer be able to share my heavenly words. God has only allowed me so much time to wake His children. Please, I plead with you, respond, respond now. Please take heed to my call or you will see much more division and destruction. The earth can only tremble for so long before it shakes, shakes the whole earth. Please pray before my Son in the Most Blessed Sacrament. Implore His mercy and embrace all that He is asking of you. Pray and do your part for the salvation of souls. This world is in trouble, so please, please listen to what I am telling you. I am truly here for each of you, but you must listen, listen to my words and respond. Please listen to all my words of truth.

I love you and I am here now to assist you. Please understand, there are few who truly trust in God. There are few living in His faith. The time is now, so please, please respond and go forth now and spread the truth. Amen.

MESSAGE #2652 from the Blessed Mother July 8, 2004

My daughter, listen, listen to my words and do not let others distract you. Write each time I come to you, for each message is for the world. In time, more will come to know the importance of these messages. In time, more will come to know the truth, for these messages will be made known around this world. Just as fire spreads, so too will these messages, for this is God's way to wake His sleepy children.

God's mercy will continue to pour forth across this land, but it is up to each child to accept His loving embrace. Blessed will be those who pick up their cross and follow Jesus. Blessed will be those who imitate Christ, for they will save souls. Blessed will be those who are humble and who are willing to be persecuted for sharing their faith. Those who repent and who are willing to suffer for Our Lord will truly, truly be blessed. They will have peace through all trials and storms. They will have joy no matter what comes their way. God will truly give them the strength to endure each new battle. Blessed, blessed will be those who prepare now and who are accepting God's love and grace.

I am here to remind my children that this time of preparation will soon end. Those who are denying Christ will suffer tremendously; they will not know which way to turn when God strikes this earth. Many will fall to their knees, but for many it will be too late. Those leaders who are not listening to God will see just how many souls they have destroyed. Those Bishops and Priests who are not speaking the truth will see how many souls they have led astray. All will see just how many wounds they have added to Jesus' Most Precious Body. All will see the crucified Christ as His Most Precious Blood pours down upon this world.

Please understand, I come to you because I am obedient to God. I am here for all my children because sin has become widespread. I am here to plead with you to repent, speak the truth and return to God. I have given so many messages because so many are not taking heed to the Gospel. God has only allowed so much time for me to assist, assist my children. So much evil is in this world due to lack of faith and trust in God. So many are joining hands with Satan and his followers. Many souls go to hell because they choose to live in mortal sin. Many today do not believe that hell exists. My heart is pierced each time a soul is lost.

Dear Bishops, dear Priests, teach your flock. Let the world know that hell exists. Let the world know that there are Commandments that one must follow. Let the world know what will happen if man dies with mortal sin on their soul. Don't only speak about Heaven, for many suffer in Purgatory. Many souls choose hell when they refuse to repent and turn to God.

Please, dear Bishops, God has given you the authority to wake your flock. Don't abuse it, speak the truth from your heart. Be firm, be strong and assist, assist my children now. So many are falling deeper into the pit and you must rescue them. I need your help, so please do not compromise with the world. Be true leaders. Be true and faithful to Almighty God. Many more souls can be saved if you each do your part.

Time moves quickly, so I say to each of you, do not delay. Because my Son loves you, He has humbled Himself to allow me to come to you through these messages. Please accept His love and concern for you. Accept my motherly love and assistance. Accept what is happening around this world and look, look at the fruit these messages are producing. Don't close your eyes or ears, for these messages are tools to lead my children closer, closer to Jesus.

I am now pleading with you to use your hands and voice for Christ. The day will come and I say to you, all will need to be prepared and in a state of grace. Will you help me? Will you please accept these heavenly pleas? Let us pray now for peace, unity and harmony to be spread across this darkened world. Amen.

MESSAGE #2687 from the Blessed Mother October 20, 2004

My daughter, Be at peace and know that I am with you. Offer your pain and your suffering for unbelievers. God has chosen you in a very special way, so believe that He will help you with each cross that is given to you. Believe, so that you never lose hope or confidence in Our Lord.

I ask today that you continue to pray and fast in reparation for those souls who continue to reject God's love and mercy. I ask that you pray and fast for my beloved Pope who truly suffers so much for his flock. Many Priests need your prayers so they stay strong, strong for Jesus. So many are persecuted for making the truth known.

A true shepherd is one who does not compromise with the world, but who uses his hands and voice to make the Gospel known. Each child is called to live by God's Ten Commandments and to live a holy life. Each child must obey God and be humble, loving servants.

Dear Priests, do not let a day go by to do good work for Our Lord. Pray every day for your flock, for so many are on the wrong path. Pray and be an example to them so they see Christ in you. Be loving and embrace each child that comes to you. Make more time to pray with your flock. Make more time to be in the confessional. Make time, for you have been chosen by God to lead the faithful forward. Let go of your set time and be full-time Priests. Conversion cannot happen if you turn souls away. Conversion cannot happen if you set your own hours to serve Our Lord. The door of your heart must always be open for your flock. God will be your strength if you truly, truly trust in Him.

There is no longer time to be part-time Priests, for the earth is trembling now. Many children are living in sin and they need to be rescued before it's too late. The battle is on, so be true soldiers and stay awake. Be on call, for you never know when God might use you to save souls. Be ready and prepared and move when the Holy Spirit leads you. In time, you will each see your soul and at that moment, you will see who you have turned away. You will see just how many wounds you have added to Jesus' Most Precious Body. You will see what God sees when you choose to be lazy.

Time is moving quickly, so do not think that nothing will happen in this time that you are on earth. God's Justice will prevail and due to widespread sin, it will happen very soon. All will need to be in a state of grace, and this cannot happen without a Priest's assistance.

I am warning each of you today, for you each have a soul. You each need to do what God is asking, asking of you. Will you be sleeping? Will you be praying? Will you, dear Bishops and Priests, be truly there for your flock? As your mother, I pray for you. I plead for you, for you are God's chosen sons. Amen.

MESSAGE #2737 from the Blessed Mother February 15, 2005

My daughter, There is much evil in this world and man must not deny that Satan exists. This world is in danger because many are giving in to Satan's lies. Many are falling deeper into the pit because they are refusing to obey God's Commandments. My heart bleeds for those who are choosing to live in sin.

I am here to wake mankind, but many, many do not want to hear the truth. Many are sleeping, which is causing evil to become widespread. America, you have been warned. It is up to you to take heed to the many messages that have been given to you. Take heed now, before it's too late.

Take heed now, dear Bishops and Priests, prepare your soul and feed, feed your flock. Return to a life of poverty and make more time to teach your flock. Events will follow, one right after the other, and it will truly, truly shake those who are living in mortal sin. Your hands will be needed, so prepare your hearts now. Be ready, for the Gospel is truly unfolding now. Prayer, penance and fasting is truly, truly needed today. Be an example to your flock. Teach my children the importance of prayer, prayer from the heart.

I am truly, truly here for all my children, so again I say to you, live my messages. Live my messages by truly preparing your heart and soul. Amen.

MESSAGE #2828 from the Blessed Mother October 31, 2005

I have been warning my children for some time so that more would turn to God and ask for His mercy. I have been teaching my children the truth so more in turn would go forth and live the Gospel.

Today, I am asking once again to pray, pray for all souls living and deceased. I am asking that you pray for Cardinals, Bishops and Priests and all religious. I am asking for more prayer for my Priests so they stay strong, strong for Jesus. Please pray from your hearts, for then your prayers truly reach Heaven. All the Angels and Saints in Heaven will join with you if you pray, pray from your heart. Much prayer is needed, so continue to join hands and pray together as a family.

Now, please follow my Son's footsteps and pray, pray more. Pray throughout the day and pray in those groups that I have formed. Honor Jesus' Most Sacred Heart and you will come to know God's love and the true power of prayer. Prayer will make your armor shine. Prayer is your protection. Amen.

MESSAGE #2847 from the Blessed Mother January 4, 2006

My daughter, The world today continues to add wounds to Jesus' Most Sacred Heart. So many are refusing to obey God. Many are making up their own rules so they can continue to live in mortal sin.

Each child must obey all of God's Commandments. Each child must repent and turn to God for guidance. Those who are disobeying God will suffer when they see their soul. They will see just how many wounds they have added to Jesus' Most Precious Body. Woe to those who are choosing to live in darkness. Woe to those who are leading others away by their sinful behavior. God will not have mercy on those who refuse to repent and amend their ways.

Pray, pray my daughter, that more will repent before it's too late. Pray in reparation for all your brothers and sisters. Pray and meditate on the mysteries of the Rosary, for this will truly help those who are on the wrong path. Pray together in those groups I have formed, for conversion is truly needed around the world. Prayer, penance and sacrifice are truly, truly needed for the sins of the world.

I am asking all of my children to pray, pray more. Each time you pray the Rosary, pray for your Most Holy Pope. Pray for Cardinals, Bishops and Priests. Pray for all religious, for many are not taking their vocation seriously. Many are not praying as they should. Many have forgotten, their hands are consecrated and are denying my children the Sacraments. Priests need much prayer so that they stay strong for Jesus.

Today we must join hands and pray. Today I am asking each of you to kneel by a Crucifix and pray. Prayer is needed, so please, please dear children, join hands and pray, pray each new day. Amen.

MESSAGE #2896 from the Blessed Mother June 20, 2006

My daughter, Please pray for Cardinals, Bishops and Priests and all religious so they join hands and support each other. Division is taking place all around the world, so please pray that more Priests will join hands and pray together. Satan loves division and without more prayer, you will see lack of unity and love among religious.

Today, I am asking that each of you pray for Priests and for those souls who are not living their vocation. The time is moving closer and Priests will need to be true shepherds for their flock. They will need to be strong, for many will come running back to Church when God shakes the earth. Many children today are living a lukewarm life and they will not have peace in their hearts when events unfold.

This is the preparation time, so please take heed to my motherly requests. Take hold of all that I am teaching you and begin now to live your Faith. Be loving to all your brothers and sisters, and pray, pray for one another. Pray for your Priests every day so they truly shepherd their flock. Each of you must use your hands and voice for Christ. Each of you must do your part in order for darkness to be removed.

All that is being prophesied will unfold, so be prayerful and make time to truly come to know Our Lord. Terrorists roam the earth and without more prayer, you will see much destruction. Please put your armor on and be true soldiers of prayer. Please stay close to Jesus' Most Sacred Heart. Love and prayer must begin with you, so please respond and allow Jesus to live in your heart.

I am your Heavenly Mother. I am here to assist you and lead you closer to my Son, Jesus. Embrace my love for you and go forth now as prayerful, loving children. Amen.

MESSAGE #2930 from the Blessed Mother October 27, 2006

My daughter, This message is for the world. I say to my children, prepare, prepare and do your part for the salvation of souls. Time is moving quickly, so please listen to my heavenly plea.

The United States will be punished as so many have turned away from God. Evil has become widespread because so many are giving in to the world. So many are making up their own rules to satisfy their needs. America, you have been warned and there is but little time to get down on your knees and pray.

Please, dear Cardinals, Bishops and Priests, take this message seriously. Join hands and do your part so more souls are saved. Wake up your flock and promote more prayer. Wake up your flock and let the world know that hell exists. Sin has become widespread and you must do your part to make the truth known. The Commandments must be followed or you will see destruction like never before.

Increased violence and bloodshed will rule the streets without more prayer, fasting and penance. Many youth are on the wrong path because so many parents are ignoring Heaven's call. Cult groups are forming and many young children have joined hands with them. The world is becoming darker because so many are not living their vocation. Lack of prayer, lack of unity is why Satan has become so vicious.

I am here to wake my children because I truly see behind closed doors. Prayer is truly needed, so please respond and pray more. Pray and plead for God's mercy upon this darkened world.

My daughter, please let the world know that time is short for saving souls. Teach my children to prepare spiritually for the coming trials, persecution and storms. Relay my messages so my children repent and reform their ways. I am here to assist my children, but they in turn must pray. I am here, so please respond and make the Gospel known. Please respond and know that I am truly here for you. Amen.

MESSAGE #2948 from the Blessed Mother December 20, 2006

My daughter, Accept My Son's peace by accepting His plan for you. God is using you in a powerful way to save souls so more repent and amend their ways. This is a special time, so please tell my children to do their part for the salvation of souls.

All my children must join hands and pray so that conversion can happen. Prayer is what God is asking each of you, so please obey and accept God's Holy Will. Please be obedient and trust in God's love and mercy. I am asking Cardinals, Bishops and Priests and all my children to pray the Rosary each new day. The Rosary is your protection, for the world is no longer safe. When you pray and meditate on the mysteries, keep your focus on My Son, Jesus. Give to Him your heart, mind and soul. If you pray the Rosary and reform your lives, He will fill you with His love and grace. Please understand the importance of prayer. I am asking all my children to pray, fast and do penance with joy. Your prayers and penance will truly help save souls.

Please use your time wisely, for I do not have much time to remind you. Time is short and each of you must persevere and pray, pray from your hearts. Deny yourselves, let go of pride and kneel before Our Lord. Follow His ways and you will find peace and joy in Him.

Now, please obey and love My Son, Your Savior, and give to Him your entire heart. Amen
